

Carson Valley Men's Club

Tournament Winnings & Payouts for 2023

All tournament winnings from weekly prize fund and side competitions are paid out weekly via a credit to the players CVGC accounts. Every player will have two separate accounts.

Account #1: **Your member prepaid account** (Listed under your name).

This account will consist of your winnings from each tournaments prize fund as well as any winnings from the KP (Closest to the Pin) side games.

You can use these credits for anything in the pro shop or restaurant except for green fees, range balls, and lessons. Any accumulated credits in this account **will expire as of December 31st each year**, and any unclaimed credits will be donated to the Carson Valley Junior Golf Program.

Account #2: **Your member cash account** (Also listed under your name).

This account will consist of your winnings from all weekly skins side games. These credits are good of anything in the pro shop or restaurant including green fees, range balls, and lessons. All credits in this account **do not have an expiration date**.

Season Long Birdie Board Side Game

This game requires a one-time buy in of \$10 cash and is to be given to the Tournament Director (Not the golf course). This is a game that consists of each player trying to score a gross birdie on all 18 holes. Once a player clears the board, they win the pot (in cash). If no players clear the board than the player with the most holes cleared by end of season will win. Any ties will split the pot. There will be three flights for this game. **Flight #1** - is for 10 handicap or less. **Flight #2** - is for handicaps 11 thru 20, and **Flight #3** - is for handicaps 21 and up.

Note* any birdies you may have made prior to paying your entry fee of \$10 will not count towards your birdie board.
