Opening:

President Bill Allen welcomed all to the first Carson Valley Men's Club Board of Directors meeting for 2021.

Old Business:

1. There was no old business pending.

New Business:

1. The Tournament Director presented the 2021 Men's Club schedule for review where minor changes were discussed and adopted. He also plans to institute random pairings for non-team events during the 2021 season.
2. The Treasurer presented the 2020 financial statement for review and approval.
3. The NNGA fees for 2021 are \$30.00 per member and the CVMC dues will be \$20.00 for regular members and \$25.00 for associate members.
4. The President's letter was reviewed and minor additions were suggested and adopted prior to electronic mailing later this month. There will be no hard copy mailings for the 2021 season. Electronic distribution is planned, and members who do not have internet access will be notified by the Secretary so they can pick up a 2021 application form at the CVGC Pro Shop.

New Business Cont.:

5. A review of the USGA Rule 16 with local exceptions was thoroughly discussed. At this time, and a change from last year, the golf ball will be played as it lies. If a player deems this could damage his golf club, he has the option to take an unplayable lie with a one stroke penalty. Due to COVID restrictions, taking relief "inside" a sand trap is still authorized. Otherwise, in all other circumstances, USGA Rule 16 will apply. In case of a rule dispute, the player will play two balls through the rest of the hole and the Tournament Director will make the final determination.

General Discussion:

1. It was requested that the CVGC send out a 2021 CVMC membership notification through their media platform. Anyone interested in joining the CVMC, please fill out an application at the CVGC Pro Shop.
2. Due to COVID restrictions and the high visibility of players teeing off on hole One, members are asked to respect social distancing and not stack up with more than one foursome at the tee box.

Closing:

With all business concluded, the meeting was adjourned at 4:55 PM.

Next Board of Director's meeting is scheduled for:

TBA.
