Carson Valley Men's club

Apologize for taking so long to get this out. Just wanted to thank all of you for your participation in the 2018 Carson Valley Men's club last year. We had a pretty good showing on a week to week basis, especially using the new computer system- Golf Genius.

We had a meeting last night and although a little rough around the edges, discussed sever topics that I feel will be of interest to all of you.

Thanks to Tom, Manya and Beau we will continue to have a closest to the hole on number 17 once a month. In addition, we are going to have a drawing once per month, based on your attendance, for something special. Each week you play you earn a "ticket" for a drawing that will be held once per month. (More info to follow).

We also discussed if anyone is 75 years or older and a handicap of 30 or greater, you will have the opportunity of playing from the RED tees. This does not mean you will be in a separate "Red tee" flight, just that you can play from the "Red" tees (your choice). Your handicap will be adjusted as it always is when you play from different tees. Golf is supposed to be fun for everyone, and as we "mature", some of the longer distances are a little harder to reach.

Membership fees for the 2019 season will remain the same at \$50.

We discussed increasing payouts on Special tournaments as well as having special tournaments within tournaments. (More info to follow).

We also discussed the event you are in multiple clubs. (More info to follow).

A reminder: For those of you who still have money "on the books" from the 2018 men's club season, these funds must be spent by March 1, 2019. Questions please call Beau in the proshop-265-3181.

Our NNGA representative, Mike Davis, wants to remind you of the first NNGA-Senior event. This tournament is the first event of the season and is held at the Carson Valley Golf course. Every year we have more participants and we usually, as a club, do quite well. Although Carson Valley Gold Course may be LESS LONG that other courses, it is, in my opinion, much harder. It would be great to see a big turnout for this year's event. Show em' what were made of! This event is being held on April 11, 2019. It has two flights, seniors and super seniors (my term) in you are 60+. It would be great to have great representation!!

Again, I thank the board for Tuesday's meeting. We plan on meeting again in two weeks to follow up address several issues mentioned above.

Any feedback or "things" you would like to bring to the board please do not hesitate. This is our men's club and we want it to be the best club ever. All suggestions welcome.

Last but not least. The golf course is in the best shape ever! Not enough thanks go to Tom, Manya , Beau and especially Tom Unruh! Great job Tom!!

We appreciate all the Staff at Carson Valley Golf Course- You've got a great team!

Let's have a great year!!!

Fred Coons  
President Carson Valley Men's Club
